WHAT HAPPENS WHEN A WORLD TRIES TO SPLIT TRUE LOVE APART...?

Seb has made a successful living through a love of horses, yet it never quite filled his empty heart.

Taking time to venture to France Seb encounters again the love of his life, Sally.

After ten years apart, they quickly realise their love never stopped...

Challenges arise to meet the two lovers and distance between them is again forced upon the chance for them to find their happiness.

Seb and Sally vow to endure their burden and find a way to be together again after their brief renewed encounter, but when Sally falls victim to a stalkers interest, Seb becomes desperate to protect her any way he can.

Through his passion for horses and his commitment to loving Sally, Seb has to find the courage and conviction to find a solution to save them both during this terrible time...
