

# SECRETS & Lies

*Secrets that haunt her*

**ANGELA  
DWYER**

**DO YOU REMEMBER THE FIRST LIE YOU EVER TOLD?  
OR THE FIRST SECRET YOU EVER KEPT?**

At just twelve years old, lying became a habit for Lexie Fox...  
and so did the keeping of secrets.

But what could cause such a habit at such a young age?

What would cause Lexie to flee from her father and  
the small town of Bexley Falls?

Now, six years later, Lexie has returned to the small town  
where her lying began. But bearing the weight of her  
secrets is beginning to take a toll.

Lexie's secrets and lies begin to unravel and she finds herself  
caught between covering everything up or revealing all the  
shocking truths held within.

Secrets and lies can either tear people apart or bring  
them closer together...but for Lexie, there is no way to  
know which outcome will be worse.

#### **ABOUT THE AUTHOR**

Who is Angela Dwyer? She is a writer  
and a mother.

Angela has been writing since the start  
of high school. At first it started as  
little stories that never got saved on  
her laptop, stories she would make up  
about the people in her life, but as  
time went on she realised how much  
she loves to write. Angela began to  
write novels and decided to make a  
career out of it because now that's all  
she wants to do. Being a published  
author is Angela's dream come true.

ISBN	9781922993410

## A CONVERSATION WITH THE AUTHOR

### WHAT DREW YOU TO THE SUBJECT MATTER IN *SECRETS & LIES*?

*I was inspired by the idea that bad things happen in life, but usually good things follow along and make your life so much better. I think it is important to remember that those good things are what makes life worth living, and I wanted to capture this in Secrets & Lies.*

### WHAT HAS YOUR WRITING JOURNEY BEEN LIKE?

*I realised I wanted to write when I was in high school, as early as fifteen years old. When it comes to actually writing a book the hardest thing for me is sitting down and getting some writing done. Sometimes I find myself staring at the screen for ages before I'm actually able to start writing.*

*Depending on the flow of my writing it usually takes between six months to a year to write a book, though it has been known to be longer or shorter depending.*

*This book will hopefully be part of a series that I plan to finish, but then after that I have many other ideas I will begin working on.*
