A MEMOIR OF TRUE ROMANCE

time for Her

MITCH LARSSON LIVED THE REGULAR LIFE OF A MARRIED FATHER, UNTIL A SNAP DECISION MADE IN HIS FORTIES CHANGED HIS LIFE AND THE LIVES OF MANY WOMEN...

Time for Her chronicles a two-year period in Mitch's life where he embarked on a journey as a male escort and learned the complexities of being paid to love.

His emotional resilience is tested when faced with the heartbreaking reality of providing companionship to a terminally ill client, whilst simultaneously navigating kinky clients, virgins, survivors of abuse and even crazy cat ladies.

Time for Her exposes the hidden truths of the male role amongst the professional sex worker lifestyle where real humanity is often overlooked...

ABOUT THE AUTHOR

Mitch Larsson grew up all over Melbourne in the 80s and travelled extensively before settling down to become a loving husband, father and lawyer in his late thirties. Never one to settle for mediocrity, he quit law to follow his dream of becoming a professional photographer and then, at age forty-one, decided to become a male escort to supplement his income. He worked full time both nationally and abroad and has had articles relating to his work published by several online and print media outlets. He is now pursuing further opportunities in writing, coaching and consulting.

A CONVERSATION WITH THE AUTHOR

WHO DID YOU WRITE *TIME FOR HER* FOR AND WHY?

I wrote the book to honour women and to especially honour significant women in my life, like the main characters and my ex-partner. I wanted to reach out to women to let them know that any dissatisfaction or boredom they feel as they become older is completely valid and that they are not alone, that they are allowed to be a bit selfish and to take time out for themselves. Just because they are a bit older, or just because they have been playing the 'mother' role for most of their adult life, they are still allowed to be sexy and loving and that they aren't invisible. They deserve tender love and kindness.

I also wrote the book for my son to read when he is much older. I want him to know the sort of man his daddy was and that it's okay to not be normal and to follow your inner voices to pursue the lifestyle you want.

WHAT IS THE MOST DIFFICULT THING ABOUT WRITING CHARACTERS FROM THE OPPOSITE SEX?

My characters are based on ladies I knew intimately. I suppose in general it is difficult writing about women's issues from a man's perspective because it is assumed we know nothing and shouldn't assume anything. If I'm writing about things like why women hire escorts, or if I'm writing about domestic violence or issues to do with women losing their virginities I always run it past clients I know who have experienced these situations to get a feel of whether I'm being accurate.
