A CONVERSATION WITH THE AUTHOR

WHAT DREW YOU TO WRITING *RISE OF ASUR*?

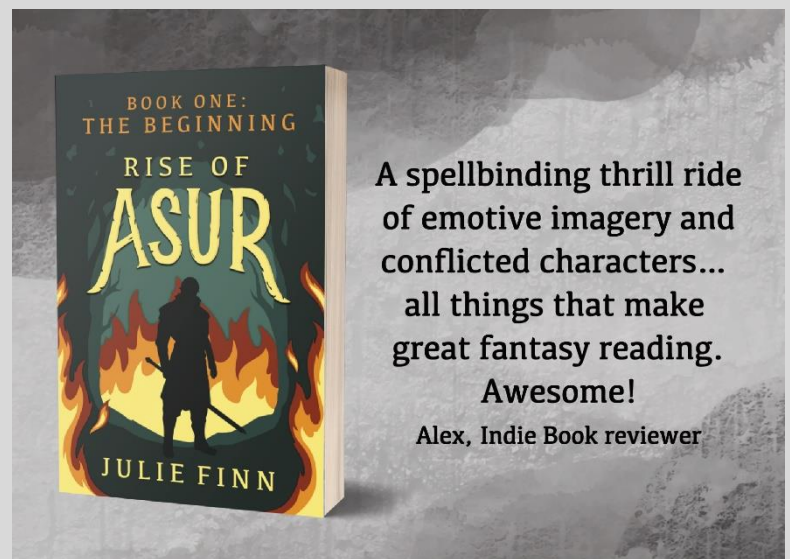

My husband and I did some brain storming when we used to walk our dogs. I created the characters as I began my messy first draft.

WHAT ARE YOUR PLANS FOR YOUR FUTURE BOOK/S?

After finishing the *Rise of Asur* series, I plan to write about my husband's family history. I have an interest in ancient leaders and have one in mind that has hardly been written about. I also have a friend who I feel has a very inspirational story to share, especially for women.

WHEN DID YOU FIRST REALISE YOU WANTED TO WRITE?

When I first started to read. I always loved making up stories and pretending to be different characters, even if they were animals! My mum was an avid book reader and my dad loved to tell us stories that he had made up. It was an effort to keep my sisters and myself entertained when we were young.

A spellbinding thrill ride of emotive imagery and conflicted characters... all things that make great fantasy reading.

Awesome!
