

Rubie Rubster

Written by Annie Chandler
Illustrated by Darlee Urbiztondo

Rubie wanted to whistle more than anything else in the world. She could do lots and lots of other great things, but whistling wasn't one of them, no matter how much she tried.

Just when she was about to give up, Rubie had her seventh birthday party and something magical happened. It is always good to believe in yourself.

Annie has been writing most of her life for pleasure and in the last four years she has published four novels in the modern romance genre. This is the first of her books for children and she aims to write one for each of her three grandchildren. This picture book is for her youngest granddaughter, Rubie and is an account of how Rubie learned to whistle and some of her other milestones in achieving it.

WHERE DO YOU GET INSPIRATION FOR YOUR BOOKS?

They just happen. Sometimes it will be when I am doing something and an idea pops into my head. An example: a few months ago, I was at the lights, waiting to cross the road (walking). I thought: "Why him? Why her? Why on that street corner?" I wrote that down as soon as I could and have worked on a story based on that scene since.

WHAT SUGGESTIONS DO YOU HAVE TO BECOME A BETTER WRITER?

Give it a go; you will never know unless you try writing. The more you write the better you become, or that's what I have found. Ask for advice; let others read your work and critique it. Accept their ideas, think about them and if they gel with yours, then use them. Be open to everything around you.
