

The Knights of Avalon

Written by S.K. Wilson

AFTER YEARS OF PEACE, KING ARTHUR NOW FACES HIS GREATEST CHALLENGE...

Five Knights of the Round Table remain, Mordred LeFay and his armies are set to conquer Camelot and soon after, all of Albion. Arthur must unite a new and brave allegiance of companions to stop Mordred and the dark powers of the evil sorceress Morgana.

Arthur will meet new allies and reunite with old friends on his new path to peace, however the forces of evil remain at his back as the kingdom fights for freedom.

They are stalked by a dangerous and seemingly invincible cursed spirited warrior, along with being beset by strange monsters of dark magic and are haunted by a mysterious knight in red iron.

Mystic visions warn of the dark fate to come should Arthur and his new warriors fail to stop Mordred's impending invasion of a long-lost island, thought to be only a legend – the great kingdom of Avalon...

ABOUT THE AUTHOR

S.K. Wilson is a transgender author living in Australia's majestic Blue Mountains area, born and raised in the Thunderdome that is the Western suburbs of Sydney during the early 80s and 90s. Savannah learned how to live well, be kind to others, what to say no to, and other valuable life lessons in the same way many of her generation did: by watching the public service announcements from Saturday morning cartoons.

When a global pandemic came along, she found the opportunity to finally finish a long abandoned story idea.

This time of self-discovery and creative outpouring led to her finally completing the lifelong dream of writing and publishing a novel, the first in a planned trilogy. As a writer, she enjoys short story and microfiction work, much of which falls into the genre of the absurd. Always preferring to dwell in the realms of dragons, myths, and imagination over the relative dullness of so-called reality.

A CONVERSATION WITH THE AUTHOR

WHAT DREW YOU TO WRITING *THE KNIGHTS OF AVALON*?

I have always loved Arthurian Legend and the tales of Arthur and the Knights of Camelot, as well as Robin Hood. The idea stemmed from wondering what would happen if they were to team up.

WHAT ARE YOUR PLANS FOR YOUR FUTURE BOOK/S?

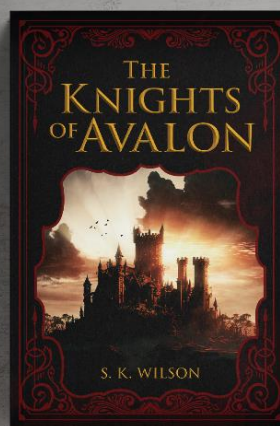

The plan is for two more Knights of Avalon books. I am also working on a collection of interconnected short stories, as well as a novelty book full of ultra-short silly stories to read in the bathroom.

WHEN DID YOU FIRST REALISE YOU WANTED TO WRITE?

Somewhere during primary school after reading *The Hobbit* and other fantasy books for the first time. I recall writing and making a book (I stapled together at the end with hand coloured art) in my room around grade four or so.

WHO IS YOUR FAVOURITE AUTHOR?

It is an almost impossible question and dependent on genre, but I think C.S. Lewis would top it out for me as the Narnia series as a whole has always been a favourite of mine and I love the way they all work together, but can be read in any order.

“An enjoyable take on the classic tales of knights and magic told in a fresh voice by an author passionate for great characters and plot...
A wonderful read and experience...”
