

Venator Saga

Book 1: The New Age Part 2

Written by Eamonn Connor Taylor

THE NEW AGE IS FAST APPROACHING. NOW IS THE TIME TO STEP INTO IT WITH COURAGE...

With dreams of becoming a hero of the Order of the Venator, Rolu left his simple farm life to escape his dying village and carve a new path.

Now behind the walls of the grand and imposing Cathedral, and under the tutelage of the Masters, Rolu begins his training as a novice Venator.

But not all is as it seems within the Cathedral. New trials are thrust upon him and his newfound friends, and Rolu must strive to fight the enemies that rage within and without the boundaries of the Cathedral.

Rolu holds firm to his quest for greatness in the Order but the Gods have other plans, and they will not be denied...

Continue the adventure in this exciting second book of the Venator series by a new voice in the fantasy realm.

ABOUT THE AUTHOR

Eamonn Connor Taylor is an Australian author born and raised in Tamworth. Ever since he was an infant he was in love with discovering the weird and fantastical, but only once he finished high school did he decide to delve into creating those things as a profession.

He holds friends, family and faith in highest regard. When not trying to juggle all three he can be found reading, writing, drawing, gaming and enjoying a good film.
