WHAT DO YOU SEEK?

POWER... KNOWLEDGE... VENGEANCE...

ALL OF THE AFOREMENTIONED?

The presence circled, coiling around him,

the pressure holding him prisoner.

He did not need to answer; the presence already knew.

I can give this to you.

Athrin's world feels bleak and empty following his loss. Struggling to live his normal life, danger soon seeks him out, and Athrin finds himself the target of a mysterious assassin.

Thrust into a role he doesn't understand, Athrin must discover the path through the darkness of his grief or find himself forever lost in darkness...

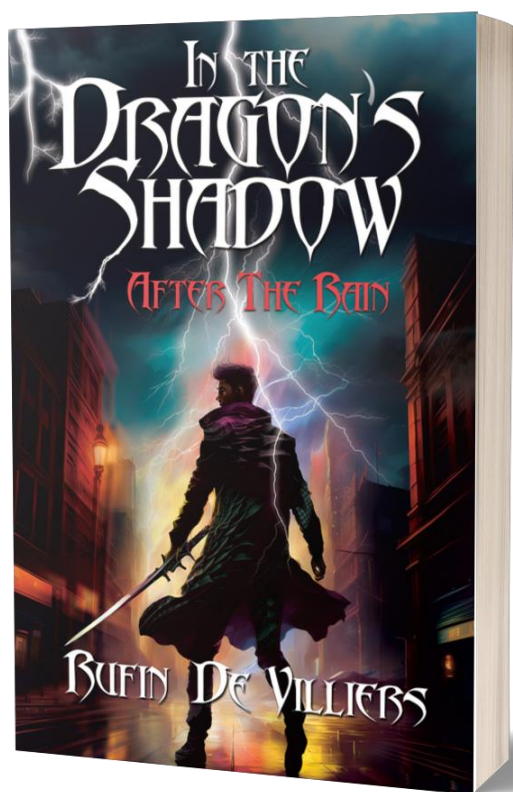

ABOUT THE AUTHOR

Having grown up on a small farm in the middle of nowhere, the canvas was always vast. Rufin's head is always filled with imaginary worlds and dreams, sometimes for fun, sometimes for escapism, hoping to one day share them with others. He has been writing stories ever since he could read, and has never stopped.
