VIROZONE MUST BE SAVED...

Lawlie Pearce is back and is tougher than ever!
But this time she has some new friends to help her save Virozone!
With Virozone in permanent AIRLOCK, there are no zone restrictions and no rules, which means no one and nowhere is safe...

Lawlie and the ex-prince of Virozone, Chance Radcliff, journey from the dangerous Void to do battle with the Desperate Village. Along the way they face the hideous Burners, as they seek to find the creators of Virozone 'Viro Control'.

Lawlie and her feisty new friends must free Virozone from the grasp of Tash and Skull, or they may be captured in AIRLOCK for the rest of their lives...

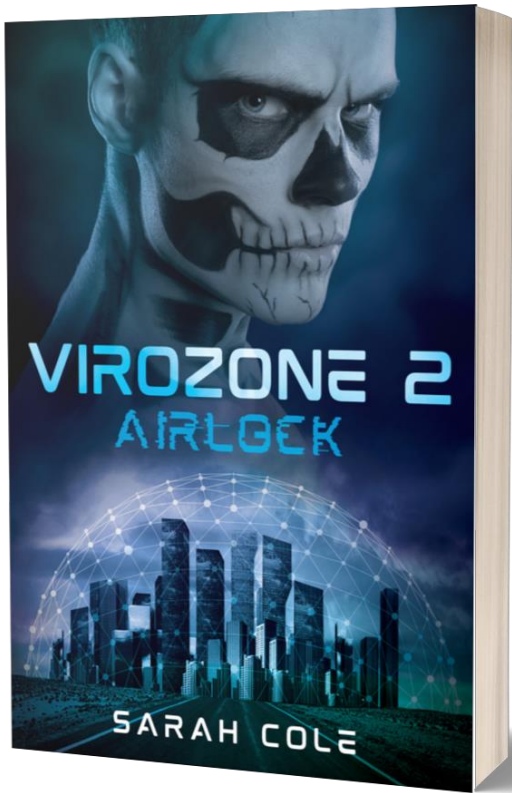

ABOUT THE AUTHOR

Sarah Cole has been a secondary English teacher for 15 years. Her first novel *Virozone*, released in 2021, has sold over 500 copies and continues to engage young adult readers. Sarah writes a strong female lead and hopes to inspire young adult readers to take action, be resilient, brave and strong willed. Her lead character Lawlie Pearce, certainly takes no nonsense from anyone!

VIROZONE

"...Magnificent world building... and wow, what an ending! Definitely giving this a 5-star rating and would suit readers who love YA dystopian books, and for those who have read The Hunger Games, there are elements there that will excite you."
Pauline, Goodreads reviewer
