

New Australian Author Children Book Release

# THE • AMAZING • ADVENTURES • OF BUB • AND • TUB

VOLUME TWO

GILLIAN WELLS

*Bub & Tub's adventures continue in this new collection of fun, exciting, and easy to enjoy adventures...*

Tub is a small rather naughty black and white dog and his best mate, a small grey pony called Bub. They both like exploring and get into all sorts of scrapes.

There are other animals too like Mr Roo, the Kookaburra family, and other dogs. Emily whom they belong too, loves them and they her. They all look out for each other, only Emily has the idea she looks after them, though it's the other way round.

The animals all talk to each other, but the humans don't understand. They all live in the outback and the country around them is their playground. So, from swimming in the creek to making up a circus, to getting lost and found, the adventures are many and varied.

Come along for an experience you will savour as animals show humans how to be the best they can be...especially when they are not looking...
