DANGER IN HONK KONG IS NO UNDERSTATEMENT FOR ASIO AGENT ELLA PORTMAN...

Sent on her first official assignment to Hong Kong, Ella is focused on making a good impression with her boss...

The tension is choking as Ella races through the city of Hong Kong on a mission of time and diplomacy, and although sent there to seek out 20 containers of armaments that went missing while being shipped from Afghanistan to Australia, she must survive the city low life and fight off the underworld killer elite to stay alive...

Millions of dollars at stake for the Triads; Billions of dollars at stake for the arms dealers; reputations of the rich and infamous at stake if discovered to be involved in the sex trading operation and ASIO Agent Ella Portman diving into the middle of it all with only one instinctive tactic as her guiding force; **To stay alive.**

AUTHOR BIO

Kevin Wiley was born and raised in New Zealand before travelling to Melbourne, Australia as a young man. Working in information technology, Kevin developed an eye for detail in all reporting which he has translated into his writings.

Being a keen sportsman playing rugby, squash, basketball, golf and a black belt in Aikido gave Kevin a great grounding for his character Ella Portman to achieve great things. Always a reader of the adventure spy genre plus a large selection of First and Second World War non-fiction and fiction gave him a fantastic grounding in the military/espionage world, which has lead Kevin to fulfilling a promise to a friend to write a novel using some of her adventures as the basis for the alluring and successful Ella Portman series.

A CONVERSATION WITH THE AUTHOR

WHY DID YOU WRITE 'DANGER IN HONG KONG'? WHAT WERE YOUR INSPIRATIONS?

My inspiration was an old friend who was very adventurous in her younger days and got into the odd bind. I always promised her that I would use some of her experiences in a novel one day. When I told her that she was to be an undercover spy her first question was there has to be sex in there some where. She was absolutely delighted when I gave her a copy of 'Danger in Hong Kong' for her birthday.

FOR WHOM DID YOU WRITE IT AND WHY?

Young Adults on wards because that is where I read from.

DO YOU WANT EACH BOOK TO STAND ON ITS OWN, OR ARE YOU TRYING TO BUILD A BODY OF WORK WITH CONNECTIONS BETWEEN EACH BOOK?

At the moment I'm concentrating on a series of adventures for Ella Portman, but each is a stand-alone book.
