

A GLASS DARKLY

K E BARDEN

NOT EVERYTHING HAS A HAPPILY EVER AFTER...

Snow's curse has been broken and with it, her heart. The grotto has been destroyed, Hansel is missing and the blisters on her feet remind her that she's utterly powerless. With the Queen's murders watching, the fog dragon loose and the rebellion in hiding, Snow's only hope is to find allies. And fast.

After a mysterious stranger sends her to the kingdom of Perridorm, where the royals control an army of the dead, Snow is left torn, choosing between the battle for her throne or for her true heart's desire.

In this epic third instalment of the *Finding Ever After* series, darkness ripples through the realm and our heroes find themselves grappling with their fates and finding not everything is as it seems.

Dark Magic, armies of the dead and thieving nymphs are the least of their concerns as dragons rise and the power within the Queen's mines thrums to life.

In *A Glass Darkly*, friendships are torn, hearts are broken and magic prevails.

But after everything is said and done, only one question remains...What is the cost of your soul if it means you save the ones you love?

A Glass Darkly, Book Three in the *Finding Ever After* series.

A CONVERSATION WITH THE AUTHOR

WHAT DREW YOU TO THE SUBJECT MATTER OF THE FINDING EVER AFTER SERIES AND THE CHARACTERS WITHIN?

Everybody loves a fairy tale. It's ingrained in all of us. I wanted to explore that a bit more and bring back some nostalgia but also see what twists I could put on them.

WHAT ARE YOUR PLANS FOR YOUR FUTURE BOOKS?

There will be five books in this series. After that, I have a book in mind that will be a standalone. I'm excited to start it.

DO YOU HIDE ANY SECRETS IN YOUR BOOKS THAT ONLY A FEW PEOPLE WILL FIND?

Yes, those who know their fairy tales will see easter eggs or tributes to the smaller lesser-known tales. It's a little joke I have and not many people have picked up on them which is fun.

WHAT WAS YOUR HARDEST SCENE TO WRITE?

Originally, it was the first kiss between my main characters. After that, it was a few fight scenes that wouldn't flow. It changes pending my mood and what needs to happen in the story.

WHAT IS THE MOST DIFFICULT PART OF YOUR ARTISTIC PROCESS?

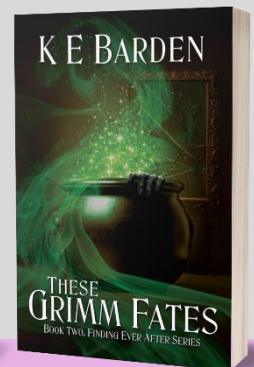

Pushing through. Writing can sometimes feel like getting a gym membership. You're excited at first and you do it regularly, then the motivation wavers and you really have to push yourself to go. Consistency is key and putting mind over matter is the trickiest part.
