Who was the enigmatic Susan Mitchell?

What happened to the hundreds of millions of dollars she stole from the investors who flocked to her innovative investment fund?

At the height of her success but with major questions being asked, Susan Mitchell disappeared without a trace along with all the money that her customers had invested.

This documentary will investigate the company that she took over and the innovative fund she developed. It will further delve into the mysterious background of Susan Mitchell by talking to those that knew her best.

We will try to understand where she came from, who she was working with and exactly how she could disappear off the face of the earth with all that money?

Join me, Stephen Grace, as we go on the search for the elusive Susan Mitchell - The Woman Who Stole the World.

A CONVERSATION WITH THE AUTHOR

HOW DID YOU COME UP WITH THE TITLE FOR YOUR BOOK, 'THE WOMAN WHO STOLE THE WORLD'?

I wanted it to be very strong and a little impossible to do like 'The Man Who Corrupted Heaven'.

DO YOU HEAR FROM YOUR READERS MUCH? WHAT KINDS OF THINGS DO THEY SAY?

Yes, they say beautiful things to me on Facebook about my first book. Some say that it is one of their favourite books of all time. I also get nasty messages from Christians calling me names for my book title 'The Man Who Corrupted Heaven'. Some of them really hate that reference and it has caused fights between them and my supporters online.

WHAT ARE YOUR PLANS FOR YOUR FUTURE BOOKS?

I am already halfway through a new book in a new series.
