ABOUT THE AUTHOR

I discovered a passion for children's books while reading to my son from a very young age. Although, I quickly found out through my own experience of buying and borrowing books that the market for young boys in the 7-10yo age group was not always well catered for. This gave me the inspiration to start writing and illustrating.

A few years ago, I started writing a series of comic books for my son and his friends in grades three to five. The feedback I received from the students, teachers and parents was overwhelming, with my son's friends constantly asking for the next installment. This gave me the confidence to pursue writing and illustrating children's books on a professional basis. I hope children and adults alike will enjoy my works and gain a chuckle at our Aussie humour.

A CONVERSATION WITH THE AUTHOR

WHAT DREW YOU TO THE SUBJECT MATTER OF THE BOOK AND ALSO THESE CHARACTERS WITHIN?

My intent is always to make people laugh and have fun. I initially started writing this book because kids love axolotls. However, once I came up with the name 'Fish Fingers' the book really took off!

DO YOU HAVE ANY SECRETS IN YOUR BOOKS THAT ONLY A FEW PEOPLE WILL FIND?

I often have repeating characters that pop up in my books to create continuity and interest.

WHAT DOES LITERARY SUCCESS LOOK LIKE TO YOU?

To walk into a library and see kids laughing and enjoying my books.

WHAT KIND OF RESEARCH DO YOU DO?

My books are a feat of imagination but loosely based on my own experiences.

A DELIGHTFULLY CHEEKY AND FUNNY BOOK

FOR ALL CHILDREN TO DISCOVER A VERY HIP OCEAN CREATURE... LOVE IT!
