**LYRIC DAVIS HAS SPENT HER LIFE IN MOTORCYCLE CLUBHOUSES, SO WHY SHOULD HER MOVE TO NORTH CAROLINA BE ANY DIFFERENT?**

Lyric's brother, Pirate, is tasked with starting a new chapter of their father's motorcycle club which enhances a brewing rift between a known rival club, Jokers Ace, putting Lyric in direct harm as the war explodes in a fiery gunfight attack with murderous consequences.

Gunner Beckett, Vice President of the Black Alchemy Motorcycle club, is assigned to protect her from the ensuing war and for Gunner, protecting his feelings for her is just as hard as protecting her from the raging battle.

Gunner and Lyric face challenges as their attraction boils over to passions neither can control in the heat of the moment. But the chaos defines their relationship and the tension between the two boils to an all-time high.

Combined with Lyric's past boyfriend, Reaper, who just refuses to stop knocking, the new lovers must contain their conflicting views and uncontrollable hearts long enough to stay alive...

## A CONVERSATION WITH THE AUTHOR

### WHAT ARE THE ETHICS OF WRITING?

*For me it is about including, respecting and acknowledging diversity, but also avoiding subjects which I have no personal knowledge on. As a white, straight, cis gendered woman I have done a lot of research on different cultures, races and ethnicities, but I just don't feel like I would be able to do the characters justice if I attempted to convey a character authentically that was rooted in a race, culture or religion that I do not understand (no matter how much I research).*

### WHEN DID YOU FIRST REALISE YOU WANTED TO BE A WRITER?

*My second year of university. I had been writing for years at that point but it was just a hobby. When I really thought about what I wanted to do with my life I realised that I wanted to write.*

*I did write my first book when I was thirteen. I was in high school and madly in love with a boy that I knew would never like me back. Looking back at it now, I'm actually thankful to the book. If I hadn't started writing I'm not sure I would be where I am now.*
