**CHARLOTTE IS AN ORDINARY TEENAGE GIRL... BUT HER LOVE LIFE IS ANYTHING BUT!**

From dating the high school misfit-turned-jock, Samuel, to the charming, intelligent, best-looking-guy-ever named Sebastian, Charlotte has no trouble finding a love interest.

The main challenge for intimacy comes with keeping her men from leaving overseas, or residing in another state...

When distance continues to bring Charlotte heartbreak, she does her best to continue with her search of love despite the ever-increasing weirdness of the modern dating world presented to her.

Charlotte wonders if she will achieve her happily ever after as she longs for a love to be closer to her, or will she be destined to be single forever and only dream of all that she longs for in her love life?

#### ABOUT THE AUTHOR

Lillian is a research scientist from Melbourne. She completed a Master of Biochemistry at Free University Berlin and a Bachelor of Science at the University of Melbourne. Lillian satiated her travel bug by globetrotting during her studies. She went on exchange to Helsinki for a semester and completed her postgraduate in Germany. Lillian often found herself in embarrassing situations, especially when it came to dating, which ignited the idea for this novel. When she's not writing, Lillian will be seeking out the perfect coffee with a great book or wandering through nature with her pug in tow.

#### A CONVERSATION WITH THE AUTHOR

##### WHAT DREW YOU TO THE SUBJECT MATTER OF THE BOOK AND TO THE CHARACTERS WITHIN?

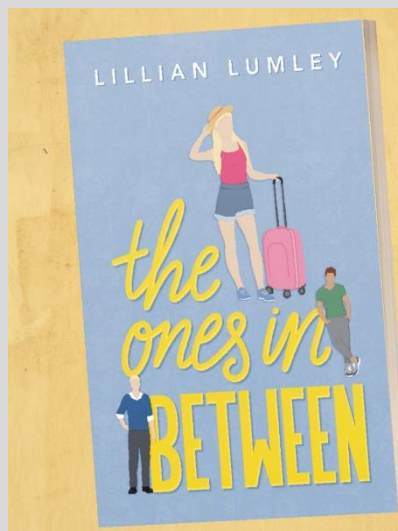

*This story came about based on stories from my own life, and from stories that I heard from people around me, day in and day out. Dating is daunting and exhilarating and I wanted to share the stories in such a way that people can laugh and relate to and know they are not alone in the chaos of it.*

##### WHEN DID YOU FIRST REALISE YOU WANTED TO WRITE?

*I've wanted to write ever since I can remember. I used to write short stories for friends and family, I had pen pals when I was in primary school, I always wrote postcards to people when we were on holiday and I kept a personal diary as a teenager. I have always enjoyed reading novels and hoped I could write one myself one day.*

##### WHAT DOES YOUR WRITING FUTURE LOOK LIKE?

*I'd love to become a recognised author. I am currently working on a sequel to 'The Ones in Between' and I also have lots of ideas for unrelated stories.*

*The emotional candour and perspective of love from the age of innocence is conveyed with care and warmth in this engaging story. Highly recommend...*
